Call for Artists!

Community artists who want to be considered to participate in this year's Holiday Craft Fair should submit 5-10 photos of work representative of what they would like to sell.

Submissions can be emailed to craftcenter@ucsd.edu by November 4.

The table fee is \$75 for both days. Artists are responsible for staffing their tables and managing their own sales. Shared tables are allowed, but all participating artists need to have been juried in.
