

# UC San Diego

## CRAFT CENTER

We are at the north west end of campus off North Torrey Pines Road across from Estancia Resort, in the general vicinity of the Glider Port. The physical address is 9605 Scholars Dr. North, La Jolla, CA 92093 but Google maps may not lead you to us so please don't rely solely on Google.

From North Torrey Pines Rd, enter campus on Muir College Drive. Turn south on Scholars Dr. North. Follow that past Extension and at the second stop sign, turn left into the Scholars Drive parking structure 9655 Scholars Dr. North.

The Craft Center is part of Sixth College in the center of the North Torrey Pines Living and Learning Neighborhood. We are on the upper level of the Mosaic Building (3rd floor if you are taking the stairs on the west side of the complex, 2nd floor if taking the elevator from the parking garage or taking the stairs by the lecture hall).

Below is a section of our campus map with a yellow circle marking our location. Easy entrances to underground parking are by the top of the yellow circle between "Mosaic" and "Lecture Hall." Park there and go to the 2nd floor. Download ParkMobile app on your phone or pay at kiosk for visitor parking permit.
